# About Girls Thrive

Girls Thrive (GT) is a 501(c)(3) nonprofit organization that is on a mission to inspire girls to empower themselves through a variety of physical activities and educational lessons designed to promote self-confidence, self-esteem, and positive body image. **Each full session (8 weeks) costs Girls Thrive approximately \$10,000 to operate.**

Through financial, in-kind, and volunteer support, our sponsors are paramount to achieving the GT mission.

## OUR PROGRAM:

Currently, Girls Thrive serves girls in 6–12 grade and offers a fall and spring 8 week session, a winter 6 week session, and a summer Confidence Clinic. In tri-weekly training sessions, girls develop strength, confidence, and community, within a safe and positive environment.

## REASONS TO PARTNER WITH GT:

- Displaying local commitment to advancing girls' self-empowerment through a variety of physical activities and educational lessons, driving partner sales, and customer loyalty.
- Individualized, collaborative, and mutually beneficial partnerships.
